

EDUCATION GRANT COMPETITION

Criteria and Submission Checklist: *Sabbatical Grants*

Please review the following questions carefully before submitting your education grant application. Your submission will not be considered if these criteria are not met. If you need clarification of any criteria, please contact Janet Lett at the CSHP National office by email, jlett@pharmacy.ca.

	Criteria
<input type="checkbox"/>	I/we understand that the application will be reviewed by the Education Grant Committee of the CSHP Foundation. An Education Grant Program Description is posted on the CSHP Foundation website. Grant decisions will be announced by the end of April in the grant year. The Education Grant Committee reserves the right to revise the funding amount requested by the Applicant.
<input type="checkbox"/>	The Applicant is a CSHP Member, Member-in-Training, or Student Supporter and has been a member for at least 12 months at the time of the grant application.
<input type="checkbox"/>	This is the sole application to this grant competition for the Applicant (Note, only one grant application can be awarded every second year).
<input type="checkbox"/>	This application is not being submitted on behalf of a CSHP group (committee, task force, or affiliated board). Please contact Janet Lett (jlett@pharmacy.ca) if you are uncertain about this criteria.
<input type="checkbox"/>	The application describes a short sabbatical or traineeship for pharmacists.
<input type="checkbox"/>	This application does not duplicate funding already held for this project or a portion of the project. If an additional funding source is being solicited, please declare the funding source and decision date for that funding.
<input type="checkbox"/>	The education grant requested in this application will not fund conference attendance or travel to attend a conference, residency or fellowship programs, enrollment in an accredited academic degree programs, or research projects (See Research Grant webpage). <i>The purpose of the grant competition is <u>not</u> to fund educational opportunities for learners that would be undertaken within their training program regardless of external funding. However, if a portion of learner education is novel and includes an educational initiative that requires external funding, this should be explicitly stated and justified in the rationale and budget of the project, including an explanation of in-kind contributions from the sponsoring institution.</i>
